

# TEACHER LEARNING MOBILITY: VIENNA, FROM 30/06/2024 TO 6/07/2024

Stephansdom

WE arrived in Vienna and we began  
visiting the city center

The second day we met our teacher and learned about Outdoor Education Fundamental.

We shared experiences and best practices in Outdoor education, Overview of outdoor education principles and benefits.

The teacher showed us a video on safety protocols and risk management in outdoor settings.

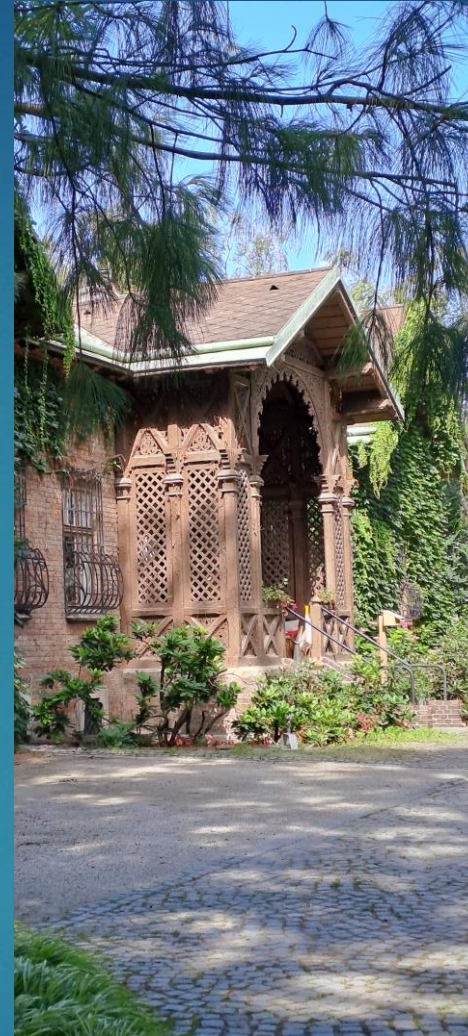

## Nature's Classroom

### Experiential Learning in Nature

Guided nature walk to observe local flora and fauna.

Conversation on environmental conservation and sustainability.

Comparison between the school system in Austria, Bangladesh and Italy.

# PRATER

OBSERVATION OF AN OUTDOOR EDUCATION SETTING IN A PUBLIC CITY PARK IN VIENNA, WHERE STATE-PAID EDUCATORS ENTERTAIN CHILDREN BY ORGANIZING GAMES AND CREATIVE ACTIVITIES USING NATURAL ELEMENTS.

In the afternoon we visited the BELVEDERE PALACE, a Baroque masterpiece which housed the Austrian National Gallery and where you can admire extraordinary works such as Klimt's THE KISS

# Hundertwasserhaus
